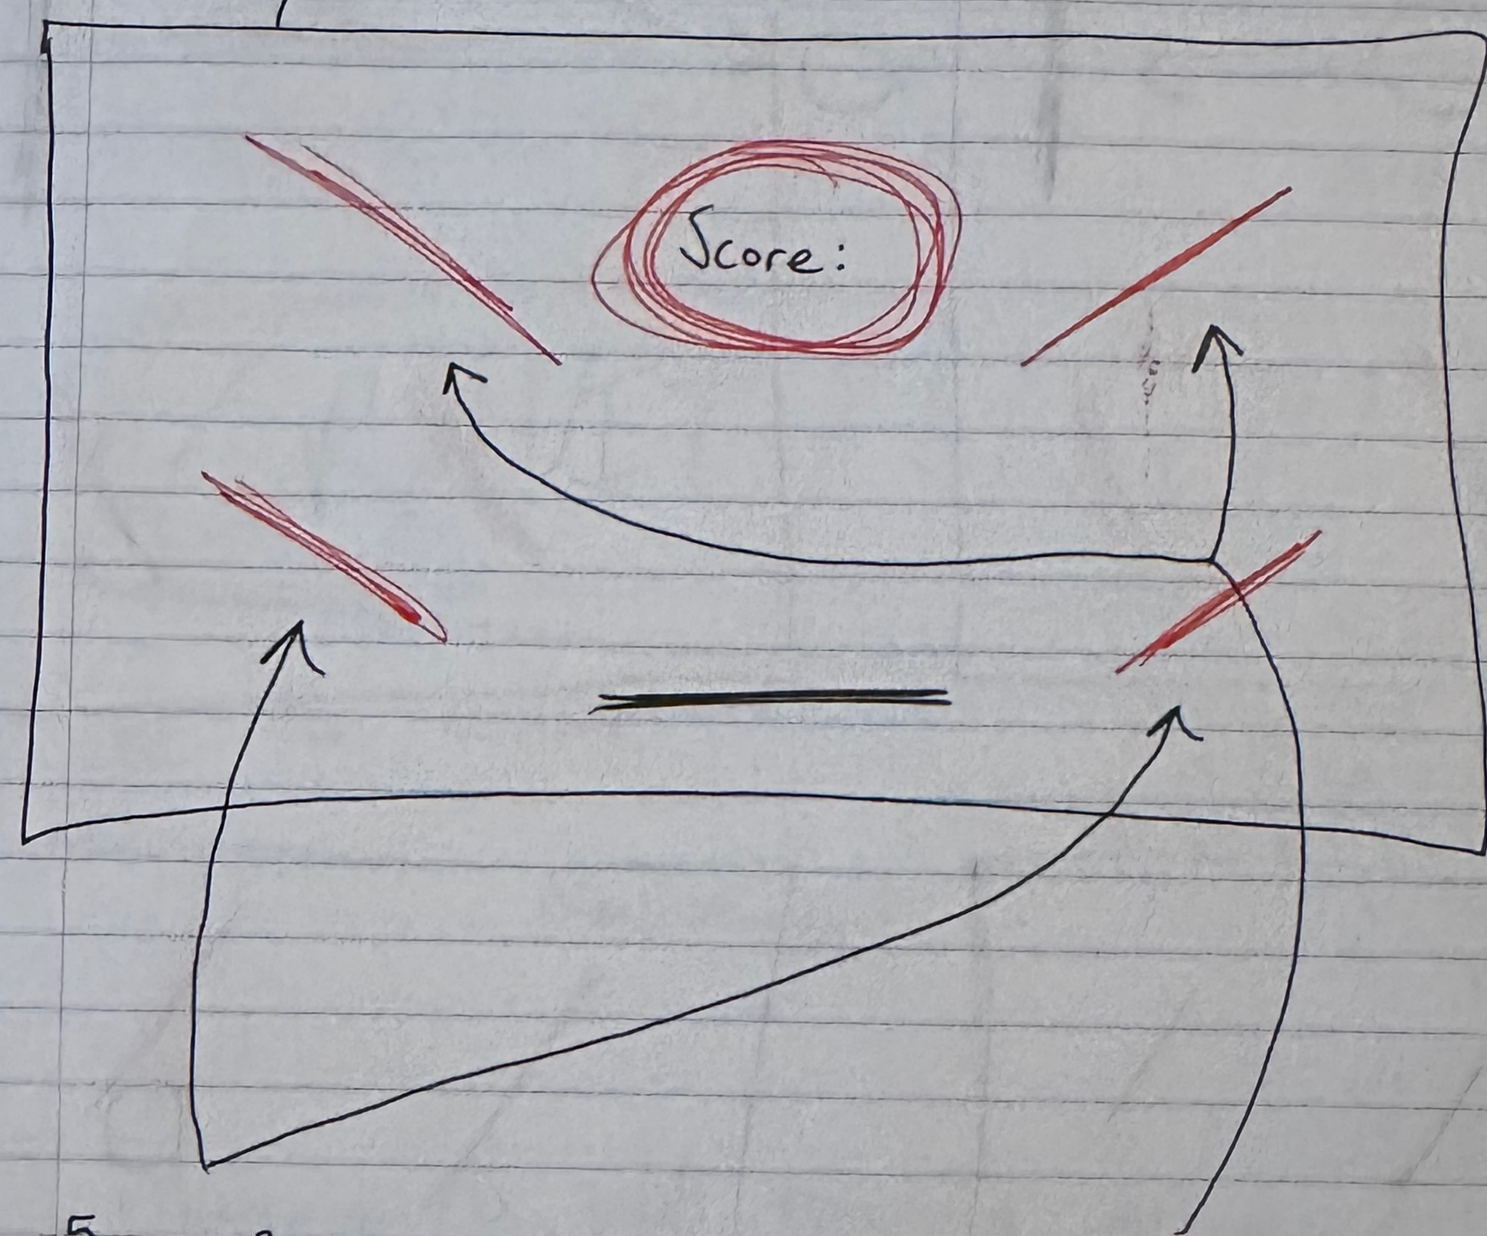
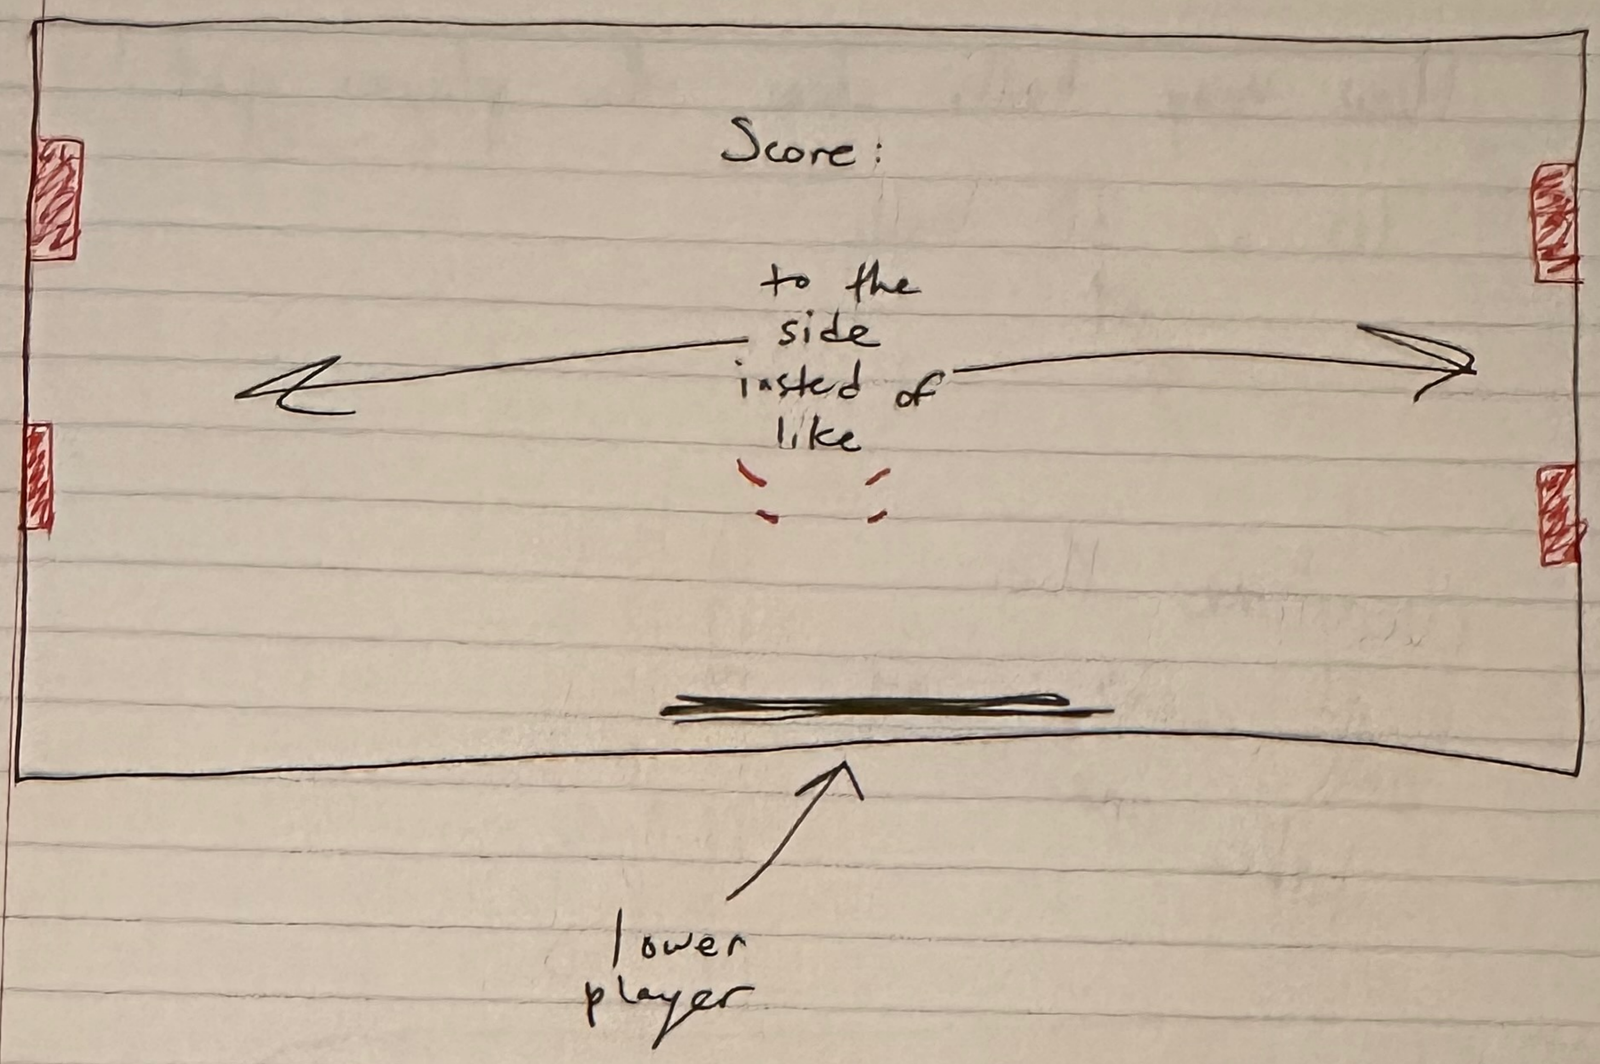
Scripts?

- Ball Collision
- Basket Collision
- Player
- Score? (maybe in Unity)

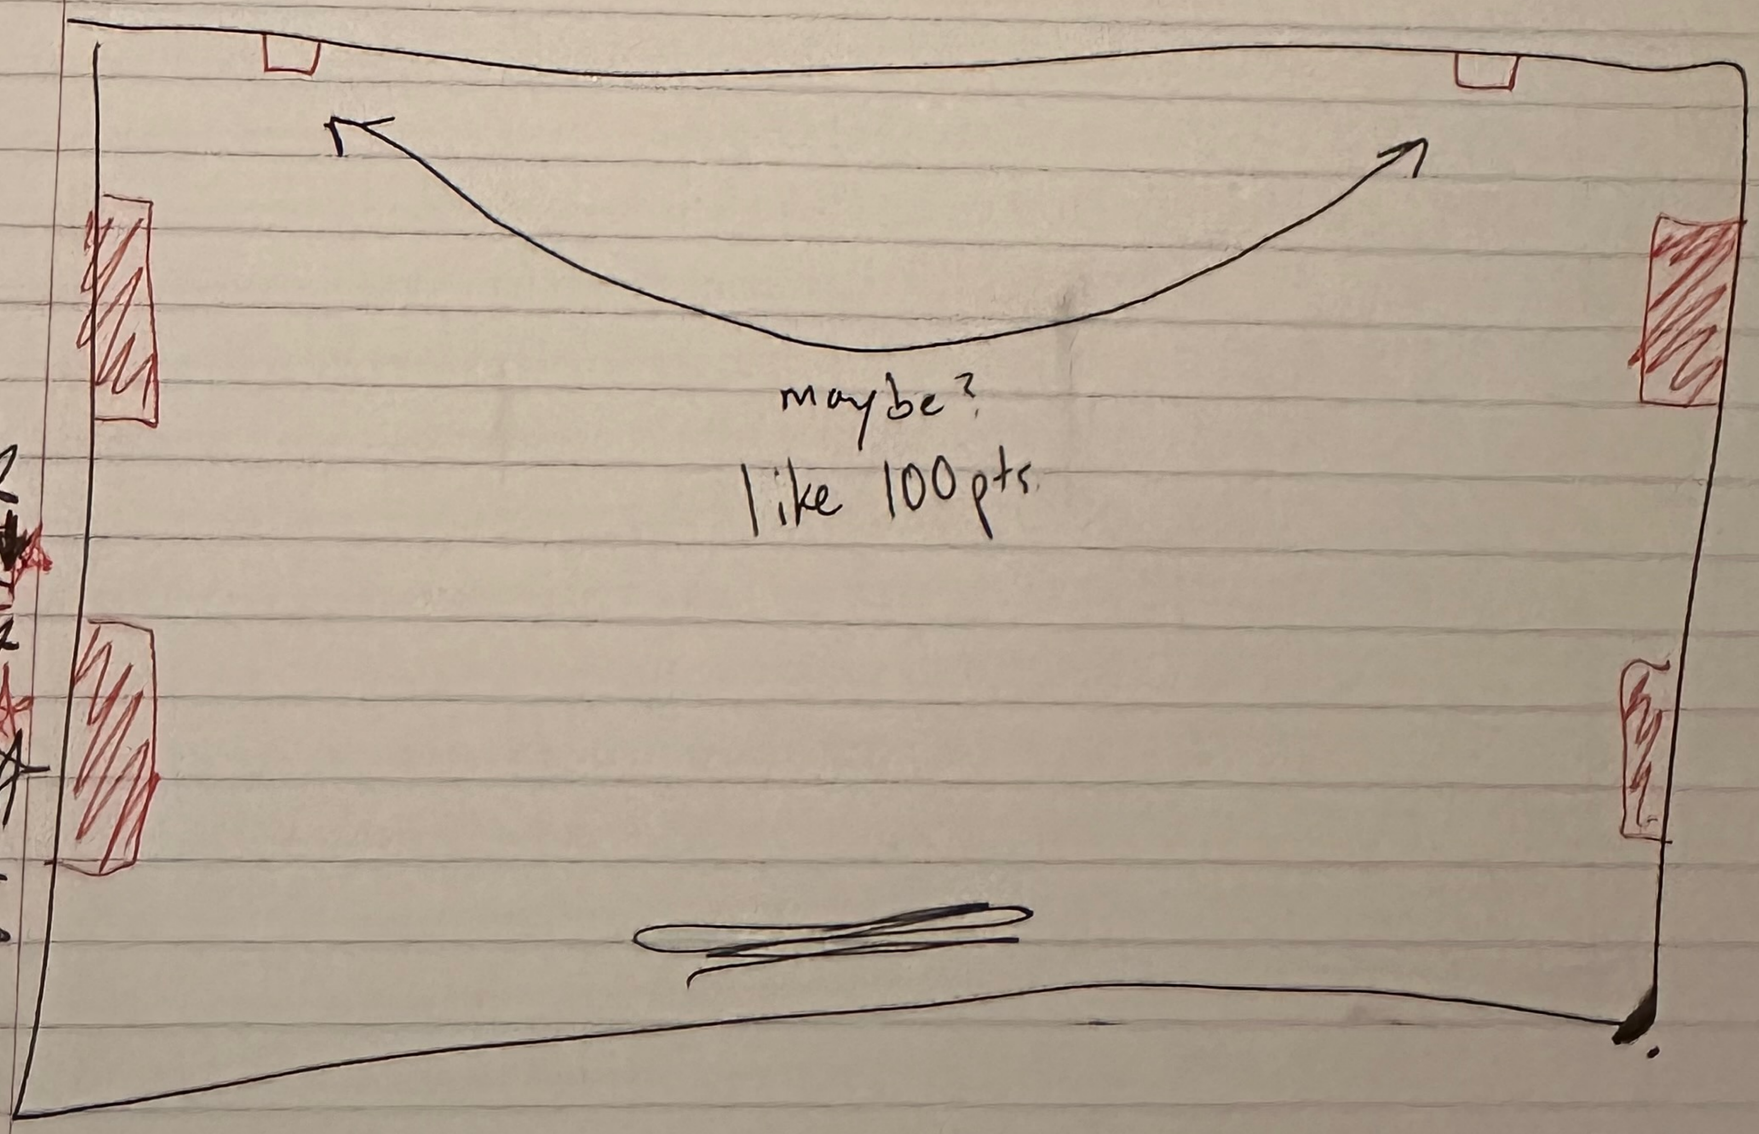


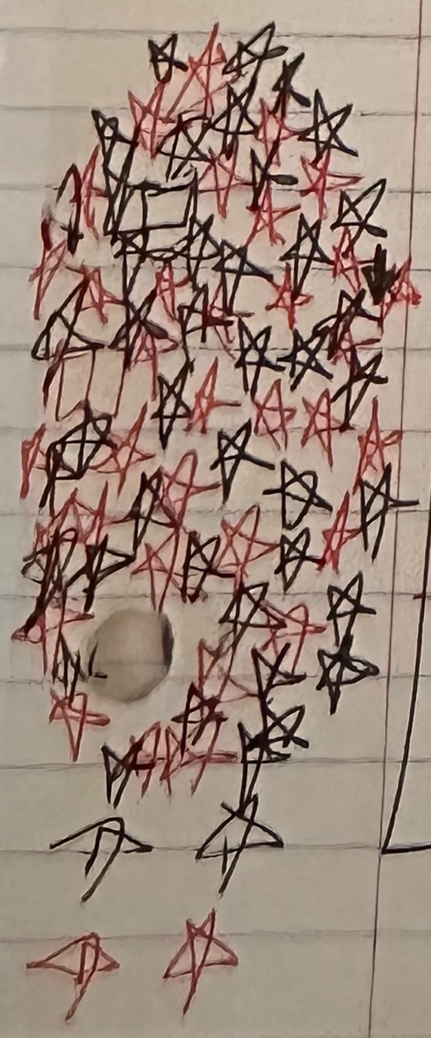
5 points?
10 points?
15 points?

25 points?
35 points?
50 points?



Switch the colours for the baskets.





How many balls does the player get?

10 or 20 balls

everytime the ball resets take one away

20	13	6
19	12	5
18	11	4
17	10	3
16	9	2
15	8	1
14	7	0

would love to add if I had time | there's no score cap. Just highscores
